

Call for Applications

The Korea Democracy Foundation Research Fellowship 2018

The Korea Democracy Foundation is accepting applications for its annual research fellowship program. Fellowship is available for research focused on the Democratization and democracy of Asia.

Research fellows will be expected to complete one research paper for publication in the KDF's Journal <Memory and vision> or KDF's Working Paper (November 2018) and present at Asia Democracy Conference 2018(August 2018).

These funded research opportunities are available to doctoral candidates, recent Ph.D.s, and mid-career faculty as well as advanced scholars and independent researchers with relevant topics.

The Fellow will receive a \$2,500 stipend for the research paper after it has been accepted for publication by KDF and will be recognized at Asia Democracy Conference 2018.

The Korea Democracy Foundation (KDF) was established to contribute to the development of democracy by carrying out projects to memorialize the democratization movement and inherit its spirit in accordance with the Korea Democracy Foundation Act (Act 6495) passed into legislation on June 28, 2001. The KDF carries out support projects and arranges events to develop democracy movement, such as the establishment and operation of the Korea Democracy Memorial Hall. It also collects, digitizes, manages, and researches documents for the historical organization of the democratization movement as well as the democratization movement artifacts preservation, management and publicization.

Institute for Korean Democracy (IKD) is Research Institute in Korea Democracy Foundation. The aim is to inherit and develop its spirit through collecting and researching about democratization and democratization movement in Korea and to strengthen a research foundation of Korea Democracy.
